WE DEDICATE OUR YEAR BOOK
to
THE ANGEL OF THE SCHOOLS
ST. THOMAS AQUINAS
GREAT DOCTOR OF THE CHURCH
and
SPIRITUAL EXEMPLAR OF WISDOM

"May this great Saint inspire us with a love of Learning and Knowledge so that we may ponder well the lesson set forth in the Mass of St. Thomas Aquinas:

"I wished and understanding was given me; and I called, and the spirit of wisdom came upon me; and I preferred her before kingdoms and thrones and esteemed riches nothing in comparison of her. - - - For she is an infinite treasure, which they that use become the friends of God, being commended for the gifts of discipline."

MESSAGE FOR OUR HIGH SCHOOL STUDENTS

My dear children:

As 1959 marks the centennial of the death of St. John Marie Vianney, the Cure of Ars, special patron of all priests engaged in parish work, I ask you two favors: read or reread carefully the life-story of this remarkable champion of Christ and pay a visit to his shrine at Riverside making the way of the Cross for all the clergy of this diocese to request an increase of vocations to the Holy Priesthood.

The thrill-packed story of the Cure of Ars contains precious lessons for us all today. It shows the incredible power of even one completely dedicated soul; for the devil cried out in rage and frustration: "If there were three more priests like the Cure of Ars, it would be the end of my dominion on earth." It proves that grace means much more than talents however brilliant; for St. John had so much trouble with his studies that for a time no bishop could be found who would ordain him: yet see the good he has done. It points up the value of fervent prayer and penance; for it was only after some years of his humble prayers before the tabernacle that the people were stirred to come back to God. His life gives startling proof of the existence of the devil and of hell. Today many sneeringly deny these doctrines of Christ. It suits the devil's purposes admirably when we even doubt of his existence; for then we fall the more readily into his snares and clutches. Again St. John was a tireless teacher of religion. This should spur us on to study our catechism, our Bible, the sacred liturgy, Church history, the lives of the saints, and the great book of nature as powerful means of maintaining our Faith strong and fruitful in good works.

With a cordial blessing to one and all I remain

Devotedly yours in Christ,

† John C. Cody,
BISHOP OF LONDON

GRADUATION DAY

by Carolyn Burns

St. Rose High School Graduation

Sunday, June twenty-second, was a perfect day in every respect for the eighteen graduates of St. Rose.

In the morning, the grads in cap and gown attended the eight o'clock Mass celebrated by the pastor, Reverend R. Lowrey, C.S.B., at which the Grads received Holy Communion. The St. John the Baptist Choir, under the direction of Sister Clare Maureen, sang appropriate hymns.

After Mass, the Grads were served breakfast at St. Joseph's Academy where Father Lowrey presided. Roses, the school flower, adorned the breakfast tables and room. Miniature graduation caps were the place cards, each concealing the class ring and pin. The breakfast was served by Grade XI students.

After breakfast, the grads assembled in the chapel where Father Lowrey addressed the class and imparted his blessing.

There was a note of solemnity in the air and the heart strings of proud parents and friends were deeply touched as the graduates in cap and gown entered St. John the Baptist Church to the strains of "Pomp and Circumstance" at three that afternoon. All were happy to have Father Curran, now pastor of St. Basil's Church in Toronto, return to address the graduates. Father emphasized the truth that God from all eternity formed a plan which, if adhered to, would lead them to Heaven.

The grads then entered the sanctuary to receive the honours of graduation and prizes presented by Father Lowrey. Together they recited the Act of Consecration dedicating themselves to Jesus and Mary.

The Proclamation of Honours and distribution of prizes to the Graduation Class for the scholastic year 1957-1958 were as follows: Honours of Graduation conferred on Miss Eileen Amlin, also awarded the prize for Application donated by Mr. and Mrs. Walter Reaume; Mr. Kenneth Bezaire won the prize for Athletics donated by Mr. Jimmy Pouget; Miss Betty Lou Bondy awarded the scholarship donated by Beta Sigma Phi Sorority; Mr. Bernard Bondy awarded the prize for French; Mr. Ronald Burns won the prize for Science; Miss Arlene Douglas awarded the prize for Application donated by Sister Superior, St. Joseph's Academy; Miss Lynda Hamilton awarded the prize for History; Miss Marie Laframboise awarded the prize for Latin; Miss Kay McKenzie awarded the prize for Religious Knowledge donated by the Basilian Fathers; Miss Adele Meloche awarded the St. Mary's Academy Scholarship donated by Mother M. Louise de France, Provincial Superior; Mr. Garnet Meloche, Highest Class Average, won the St. Rose High School Scholarship; Miss Victoria Mistruzzi awarded the prize for Athletics; Mr. Jerry Musyj awarded the prize for Cooperation donated by Sister Superior; Mr. Isadore Musyj; Miss Patricia Ouellette awarded the Lieutenant G. Hayward Jones Memorial Award for English donated by Mrs. George Jones; Mr. James Reaume; Mr. Albert Rocheleau; Miss Josie Walach awarded the prize for Mathematics.

ROSE BALL OF '58

The Annual Rose Ball of '58 was held on May sixteenth, in the Parish Hall. Before the Prom commenced, a cocktail party was held for the graduates at the home of Miss Lynda Hamilton. The patrons of the evening were Dr. and Mrs. E. C. Ladouceur, Mr. and Mrs. R. Thrasher, Dr. and Mrs. Warren, Dr. and Mrs. E. Paquette, His Worship the Mayor and Mrs. H. Hamilton and the parents of the graduates.

The theme of the evening was "Springtime in Paris". The centre of attraction was a vivid reproduction of the Eiffel Tower. From it were strung pink and white streamers to every corner of the hall. The far corner was adorned with a "Sidewalk Cafe". All this plus the delightful music of Bob Clark's Orchestra helped to set off a gay Parisien atmosphere.

The highlight of the evening was the crowning of the queen by Jane Taylor in the absence of last year's queen Miss Joan Deslippe. The one chosen was Miss Patricia Ouellette, escorted by Mr. Armand Deluca. She walked with true queenly beauty and was radiant in a billowy white-over-aqua nylon gown. From her attentive escort she received two beautiful white baby orchids. She was assisted by her ladies-in-waiting, Miss Lynda Hamilton and Miss Kaye McKenzie. Miss Ouellette was crowned with a petit tiara of pink roses and carried a green and gold sceptre and a dozen long-stemmed red roses.

After this delightful and eventful evening the graduates and their dates made their way to the Meloche home where Garnet and Adele entertained classmates and friends.

The potential graduates of '59 sincerely wish the graduates of '58 continued success and satisfaction in their future undertakings. May our Lord and Our Blessed Lady be their guide to the goal assigned them by Divine Providence.

My Morning Prayer

When I wake in the morning,
The first thing I do,
Is to think of Our Lord,
Who Made both me and you.

I offer my prayers,
And my work, all to Him,
And know that my day,
Will truly be blessed by Him.

He welcomes these treasures,
And all that I do,
In hope that my promises,
Will prove to be true.

He sends me His Blessings,
All through the day,
To show that He hears me,
Whenever I pray.

My duties and studies,
And teenage fun too,
Are all part of the love
That I offer unto Him.

Dear Mary and Jesus,
My day is complete,
And my last prayer to You,
Is, that I may dwell with You forever.

(by Janet Ladouceur)

As Astra Per Ardua

Farewell, St. Rose High School we'll remember you,
Dear Alma Mater, we're loyal and true,
As we go onward, in the lives we lead,
Your light will guide us, your motto is our creed.
We will look back fondly at your stone walls,
Recalling precious moments within your hallowed halls,
Farewell, St. Rose High School we'll remember you,
Dear Alma Mater we'll always be loyal and true.

Penny Scarlet.

A Junior's Dream

Oh! Dear Seniors, if I knew half of
What you know now,
What days of delight would I spend
In my Senior year at S.R.H.

Why, in chemistry I'd be a hiz,
In fact, I'd be known as Professor Quiz!
While in French and in Latin too,
Do you think I would have to study hours through
Just to make my lessons do?

For me there would be nights of leisure,
With no books, notes and problem teasers,
Yet, I know this is only a dream
Because next year I'll write the same theme!

PRESIDENT'S MESSAGE

Graduation Day, at last, is fast approaching! Mingled with our feeling of joy is that of a certain sadness that we, who have spent twelve happy years under the salutary guidance of the Sisters of the Holy Names and the Basilian Fathers must now go on our separate ways. May we be true to the noble ideals of Catholic youth, to the religious, scholastic, and social training imparted to us through the efforts of our parents, priests and teachers.

CLASS PROPHECY

Fontana, California,
July 14, 1979.

Dear Pat:

After being away from Amherstburg for twenty years, I was surprised to see the many changes effected by the '59 to '79 graduates of St. Rose High in our old home town.

When I arrived in a jet at the new Burg Airport, I hailed a taxi and much to my surprise the cabiette was no other than "Hot Rod Thrasher", our Linda. I found out that she now owned "Juniors Minute Service", being in partnership with her husband, Francis Desilppe.

Coming into Amherstburg my gaze was attracted by a huge sign which read: "Vote for Dale Bondy, our new Prime Minister of Canada." Putting more signs along the way was the editor of the Amherstburg Daily Star, Gary Cullen. Imagine, the editor of the Amherstburg Daily Star, Gary Cullen, had his crew putting up more billboards, "Vote Conservative, get Dale Bondy as the Prime Minister of Canada." He surely is working for our one-time classmate.

Feeling undernourished, as usual, I asked my cabiette to let me off at the nearest restaurant. With a sudden jolt of the car and a sorry goodbye, I walked into Carolyn's "Pizza Place." I was greeted by the hostess, Ruth Amlin, who very gracefully led me to the proprietor, Carolyn Burns, where we had an interesting chat. After enjoying a wonderful meal of pizza, I began motel hunting, but as I wandered down Sandwich Boulevard, I bumped into none other than my old school chum, Penny Scarlet. She insisted upon me visiting her for a few days at her home where I met her husband and their three children. After three days of reminiscing with Penny I learned that Gail "Gabby" Robinson was principal of St. Rose College, and that Janet Ladouceur was head nurse at her new "Lad's Hospital" along with Edna Rocheleau as lab technician. On entering the hospital I was greeted by two nurses whom we both know, Carolyn Grenier and Jackie Grondin. They immediately took me to a patient who was there, Mrs. Bezaire (nee) Mary Lou Bondy) who made headlines in the paper with her quadruplets.

Traveling merrily in a new rocketmobile on the famous highway, my attention was drawn to a beautiful new "Music Hall" run by Mary Ann Pillon and Diane Dufour, with Montavani's Orchestra. After being seated I was surprised to see that the master of ceremonies was, believe it or not, Gene Reaume who introduced his wife, the former Pearl Bastien. After listening to some soothing music directed by Stanislas McCauley, I headed for a motel where I sept dreaming of all my schoolmates. I arose at dawn and, since it was Sunday, I wanted to hear Mass at St. John the Baptist Cathedral. As I took my seat, who should walk stately out to say Mass but Vinny Spearing. After Mass I went into the sacristy where Reverend Father Spearing introduced me to the janitor of the Church, Dick Bondy. The three of us went over to the convent to visit the nuns and who should open the door but Sister John Berchmans, (nee Julie Ann Hainer) who informed me that George Tiefenbach was a captain in the marines and Barry Brown was owner of the new restaurant "Blue Derby". With pride she also told me that Barbara Amlin, was now Sister George, teaching in Basutoland and Jean Deneau was secretary of St. Rose College.

Before I sign off, I must tell you what happened as I was leaving our home town with its many memories. While driving along, I noticed a group of horses grazing in the pasture. Because of my love for horses I begged my driver to let me out to see them, but he insisted upon bringing me to the Dude Ranch up the road. Of course you should know who this beautiful estate belonged to. Yes, none other than Michael Brush.

I hope this letter is finding you and Maurice well. For my vacation next year I promise that Leonard and I will come to Florida to visit you both.

Love always,
Leonore.

(by Pat Pillon and Leonore Pilon)

OUR LADY OF PERPETUAL HELP

The history of this picture goes back to the 15th century when it was venerated on the Island of Crete. In 1499 it was transported to Rome where it received its name from Our Lady herself. During Napoleon's conquest it was concealed and remained so for sixty years. In 1866 it was restored to public veneration in the church of St. Alphonsus. So many outstanding favours were obtained there, that the devotion to Our Lady under the title "Perpetual Help" found its way to all parts of the world. Untold numbers find in this devotion Divine assistance and truly maternal aid.

A perpetual novena to Our Lady of Perpetual Help is held in St. John the Baptist Church every Sunday evening, at 7:30.

Dear Graduates,

Soon you will be leaving St. Rose to take your place in college, in business, in different professions. It is with the feelings of joy and sadness that we see the approach of graduation day.

Our earnest prayers and our loving solicitude have been yours for years and will continue through life. Every night a special prayer ascends to Our Blessed Mother for you. We ask her to pour into your souls treasures of grace, to guard and guide you as her own, to shield you from the deadly breath of a sinful world.

May Jesus and Mary hear us. May they bless you.

HIGHLIGHTS OF THE YEAR

- SEPT. 3 — On Tuesday morning the students returned to their daily routine of studies, leaving the happy memories of the vacation behind them. Although they knew the year would be strenuous however, with the help and guidance of Sr. Eugene and Sr. John, the outlook became brighter.
- SEPT. 9 — The following Tuesday, the students and teachers attended the mass of the Holy Ghost celebrated by Rev. Father Forestell. This was to ask God's blessing on the year ahead and His graces to accomplish well our duty. An inspiring talk was given by Rev. Father Forestell welcoming the pupils back to school and encouraging them to start the year with renewed hope and ambition.
- SEPT. 10 — The representatives of the School Council were elected today and are as follows: Pres.—Penny Scarlet; V. Pres.—Vincent Spearing; Sec.—Linda Thrasher; Treas.—Eugene Reaume. Pres. of Grade XII—Francis Deslippe; Pres. of Grade XI—Sharon Deslippe; Pres. of Grade X(a)—Nancy Scarlet; Pres. of Grade X(b)—Pres. of Grade IX(a)— ; Pres. of Grade IX(b)— ;
- SEPT. 24 — Today our annual track-meet was a big event for the athletes of St. Rose. Miss Marcia Marontate and Mr. J. Stephani did a fine job organizing the events. All events were carried on according to schedule.
- SEPT. 30 — The Curtis Magazine Campaign opened and although we didn't receive as much as was intended, a satisfactory amount was achieved. The prize for the highest number of subscriptions sold was a transistor radio won by Pauline Bezaire.
- OCT. 1 — The following week the students who placed first and second competed in the annual E.C.S.S.A. track meet held at Kingsville. There the winners made a good showing and several received honours.
- OCT. 1 — The Sodality of St. John the Baptist was working on a comedy play, "If You Knew Susie", the proceeds of which went to help pay for the Statue of the Blessed Virgin at Church. The auditions were held in the assembly room. The M.C. was Linda Thrasher, who did a great job. We would like to thank Mrs. McKenzie, Mrs. Brush and Mrs. Thrasher for their continued help right to the end.
- OCT. — The annual football game was held between Gr. XII and Gr. XI. It was great fun with Sr. John and Sr. Eugene each supporting her own team. As usual Gr. XII was victorious, the final score being 49-0. On behalf of the Football Team we would like to thank Dale for his unsurpassed support.
- OCT. 9 — The Y.C.S. worked hard to plan a "Get-Together Party" for all the High School students. At the Parish Hall there was dancing, a delicious lunch and enjoyable entertainment provided by the pupils themselves. Father D. Forestell paid us a visit of encouragement. A solo by Father Fiore was greatly appreciated.
- OCT. 21-31 — The first term tests began on Oct. 21st and ended on the 31st. These tests didn't seem important at the time but they prepared the pupils for their Christmas examinations and gave the teachers their first impression of pupil ability.
- OCT. 25 — The first big dance of the year was the "Autumn Whirl". Autumn coloured streamers covered the ceiling and windows giving the dance floor a beautiful autumn effect. The girls wore colourful dresses adding to the beauty of the scene. We are proud of our new student council who worked so hard to make the dance a big success.
- NOV. 8 — The boys participated in the Volleyball Tournament in Harrow. Although they did not win, they had a good time, and also some pretty close games.
- NOV. 13 — Basketball practice started today. The players were getting in shape for the new season just around the corner.
- NOV. 21 — It was opening night for the sodality play. It was held in the Amherst Auditorium on Friday from 8:00 to 11:00. The play was such a big success that the gym could not accommodate all who wished to see the play.
- DEC. 10 — The Christmas examinations began on the 10th and finished on the 19th. The pupils heartily welcomed the Christmas vacation.
- DEC. 18 — The Y.C.S. put on a Christmas Party to celebrate the finishing of our Christmas tests and to greet the joyous season. We all had a good time, playing games, listening to records, and dancing.
- DEC. 19 — School closed for the Christmas Vacation marking the end of the first semester.
- DEC. 27 — The second Annual Christmas Dance was gaily decorated with mobiles made of sparkling stars. Santa Clauses dressed up the walls of the hall. It was an enjoyable evening dancing to George Hallock's Orchestra.
- JAN. 5 — Today school reopened for the new year. From now until June there will be a tight schedule beginning with the Basketball Season.
- JAN. 9 — To open up the basketball season, St. Rose played their long-time rivals Amherst. A dance sponsored by the Athletic Committee was held in the Parish Hall after the games.
- JAN. 16 — Everyone rejoiced when St. Rose won three out of four games against North Essex.
- JAN. 23 — St. Rose won all four games against Tilbury.
- JAN. 30 — St. Rose played very good games but somehow Kingsville proved their superiority by winning all four games.
- JAN. 31 — The sodalists of St. John the Baptist Sodality enjoyed weekend of inspiring lectures at the T.S.S.A. Convention given to them by the U. of D. College students.
- FEB. 6 — In the last game Harrow surpassed us in all but the Senior boy's game. Our senior girls are now eliminated from the playoffs.
- FEB. 12 — Basketball season is officially over for St. Rose. The teams that were in the playoffs are as follows: junior girls and junior boys against Kingsville and the senior boys against Amherst. Unfortunately St. Rose lost to the other teams, eliminating them from going to Leamington.
- MAR. 2-14 — The students commenced to write their Easter Examinations.
- MAR. 25 — Last day of school! Our joy is somewhat dampened by writing the Scholastic Examinations sent by the Department of Education.

CHEERLEADERS

S. Fox, G. Robinson, S. Quinn, B. Amlin, D. Dufour,, J. Meloche.

The '59 Year Book would not be complete without a page dedicated to the cheerleaders. Cheering for St. Rose this year were Barbara Amlin, Stella Fox, Susan Quinn, and Gail Robinson, veterans of last year and two new recruits, Diane Dufour and Janet Meloche.

At the opening of the season, the cheerleaders made their debut in new uniforms donated by the Student Council and the Athletic Committee, gold crew-neck sweaters set off by St. Rose crests and gordon plaid pleated skirts. Sputnik and Muttnik, our gold coloured mascots were the only remnants of last year.

Remember the competition between the cheerleaders at the Harrow games, the night Sue cheered alone, and incidentally did a very good job of it, the numerous times Stella and Gail practiced their jumps, trying not to land flat-footed. And what about Diane, making Barb go over every cheer with her before she would go on the floor, Janet forever jumping on Sputnik, and above all, our happiness, after winning a game, knowing that we had a small part in our teams victories.

These memories will never be forgotten, but instead put in that part of our minds where all fond memories are kept.

Gail Robinson

VISION

THE ELEGANT NEW FORD GALAXIE is a 6-passenger expression of Thunderbird grace, spirit, style and luxury in an altogether new line of '59 Fords. In every member of the Ford Family of Fine Cars you'll see the same kind of styling leadership, the same classic concept of elegance.

in action

Today's world is a world on wheels. A car is no longer a luxury, it has become a necessity. Our whole economy is dependent, to a very great extent, on the automobile industry. In Canada, one out of every seven wage earners is directly or indirectly employed in this exciting industry. Canada's first major automobile company, Ford of Canada, is a leader in this fast-moving progressive field. This leadership is no accident; it is a result of originality and initiative; of being a young-minded company; a company that puts vision in action. The Canadian automobile industry offers a variety of worthwhile opportunities to qualified people. For instance, graduates in business are particularly suited for the administrative positions. Young men with mechanical aptitudes have good prospects in servicing and repair work. In salesmanship too, there are good jobs for people with a few years' general experience. Few fields offer such satisfying and varied occupations for enterprising individuals.
